The Mission Statement of the Geriatric Day Hospital
The Geriatric Day Hospital provides an interprofessional specialized geriatric outpatient service. This service also provides an assessment and treatment program with a liaison to community support, and discharge to an appropriate venue. We are accountable to the patient and community at large, by adding value to the total patient experience.

The Philosophy of the Geriatric Day Hospital
The dedicated staff and volunteers at the Geriatric Day Hospital believe that specialized health care can help you maintain a healthy and independent lifestyle.

We believe you should be able to remain in your own home environment for as long as possible.
