

GERIATRIC EDUCATION SERIES

CORE INTRODUCTION TO CARE OF THE FRAIL OLDER ADULT

March 28 & 29, 2022 | 8:00am - 4:00pm Online via Zoom | Cost: \$200.00

Format:

- Formal didactic sessions on frailty, dementia, delirium, depression, mobility, falls, capacity and living with risk.
- Integrated case-based sessions focused on the formal didactic session topics.

Inclusions:

- Handouts for all presentations.
- A link with all presentations and extensive resources after completion of the course.
- A certificate of attendance.

What is in it for me?

- Increase your knowledge on the comprehensive geriatric assessment approach to care.
- Apply this knowledge to case scenarios.
- Enhance your clinical expertise with regards to screening, assessing and/or intervening with frail older adults with complex health problems.
- Learn how to incorporate the comprehensive geriatric assessment into your daily practice.
- Network with Peers.
